

Nice to Have vs. Must Haves

Finding a college that's the right fit for you can be tough. Don't sweat it though! Start here by using this fillable PDF to list attributes about your ideal college campus. Think about what you would like in regards to location, size, cost, activity offerings, sports, areas of study, service learning opportunities, etc.

From there, visit some of the sites I've listed in my blog under the *resource* section and begin to plug in what you've written below.

Good luck!
